Installation, Operation and Maintenance Procedures

- | When mounting the loudspeaker please ensure that it is re-assembled in the same manner in which it was received.
- | Screw the cabinet to wall or ceiling, connect cable to terminal and screw the loudspeaker grill clockwise into fixed position.
- | For optimum performance, always use the correct voltage / power and operate within the frequency limits as stated.
- | Do not open loudspeaker when energized.
- | This loudspeaker is supplied with a 2 year warranty against defective workmanship.

Most of our products are available in different colours, impedances and power ratings.
